14th November 2022

To,

Prof. Shailendra Saraf
Director
UGC-HRDC
Pt. Ravishankar Shukla University
Raipur 492010, Chhattisgarh

Dear Sir,

We herewith enclose synopses of the M. Pharm & Pharm D thesis carried out at various Institutions in Tamilnadu, as submitted by the students. We have already decoded the original applications so that nobody can find out the institution wherein work is carried out. We have enclosed the synopses as follows:

1.	Pharmaceutics	- 72 -	101 – 172
2.	Pharmaceutical Chemistry	- 26 -	201 – 226
3.	Pharmaceutical Analysis	- 27 -	301 – 327
4.	Pharmacology	- 79 -	401 – 479
5.	Pharmacognosy	- 17 -	501 – 517
6.	Pharmacy Practice	- 21 -	601 – 621
7.	Pharm. D – Clinical Pharmacy	- 48 -	701 -- 748
TOTAL		290	

Also find enclosed the evaluation sheets, in duplicate, in the respective envelopes. The total marks for each synopsis is 50. We have divided them into 3 parts as follows:

1. Presentation: 10 marks – To judge whether the applicant followed strictly the protocol given by us and has presented properly or not.

2. **Technical Evaluation: 30 marks** – To judge technical excellence of the project. Here we would like to mention that the above said M. Pharm or Pharm D project should be carried out within 6 months of duration, upto Jan. / Feb. 2023. There may be some candidates giving plenty of parameters which cannot be completed in prescribed duration of time or may not be **feasible** to carry out the experiments. Of course, you will be a better judge.

3. **Usefulness of the project: 10 marks** – To judge whether this project is useful to the Pharmaceutical field or not and also whether this thesis / research work can be continued or not.

If possible, you can involve your sub-ordinates of different departments of Pharmacy.

We request you to evaluate at the earliest, as normally we will be giving the scholarships on **merit** during the National Pharmacy Week. We will be grateful if the result of evaluation is sent to us on or before **3rd December 2022**.

Thanking you,

For Tamilnadu Pharmaceutical Sciences Welfare Trust

J. JAYASEELAN
Hon. Gen Secretary

Encl: Project Synopses (290)

Evaluation sheets – in duplicate (14)

Format as **Part-B** enclosed to be followed by the students for submitting the synopsis (7)

Cc: Prof. Dr. K. Chinnaswamy

Foot Note: (1) We enclose herewith the evaluation sheets of all the 7 subjects, which can be filled up and sent to us by email.
(2) Only the evaluation sheets can be returned to us and the synopses can be at your end for some time.
