Institute of Science & Technology (IST)

Jawaharlal Nehru Technological University

Kukatpally, Hyderabad - 500 085.

Dear Sir,

We herewith enclose synopses of the M. Pharm & Pharm D thesis, carried out at various Institutions in Tamilnadu, as submitted by the students. We have already decoded the original applications so that nobody can find out the institution wherein work being carried out. We have enclosed the synopses as follows:

1.	Pharmaceutics	- 24 -	1001 – 1024
2.	Pharmaceutical Chemistry	- 06 -	2001 – 2006
3.	Pharmaceutical Analysis	- 16 -	3001 – 3016
4.	Pharmacology	- 32 -	4001 – 4032
5.	Pharmacognosy	- 11 -	5001 – 5011
6.	Pharmacy Practice	- 10 -	6001 – 6010
7.	Pharm D	- 55 -	7001 – 7055
TOTAL		154	

Also find enclosed the evaluation sheets, in duplicate, in the respective envelopes. The total marks for each synopsis is 50. We have divided them into 3 parts as follows:

1. Presentation: 10 marks – To judge whether the applicant followed strictly the protocol given by us and has presented properly or not.

2. Technical Evaluation: 30 marks – To judge technical excellence of the project. Here we would like to mention that the above said M. Pharm / Pharm D project should be carried out within 6 months of duration, up to Jan. / Feb. 2020. There may be some candidates giving plenty of parameters which cannot be completed in prescribed duration of time or may not be **feasible** to carry out the experiments. Of course, you will be a better judge.

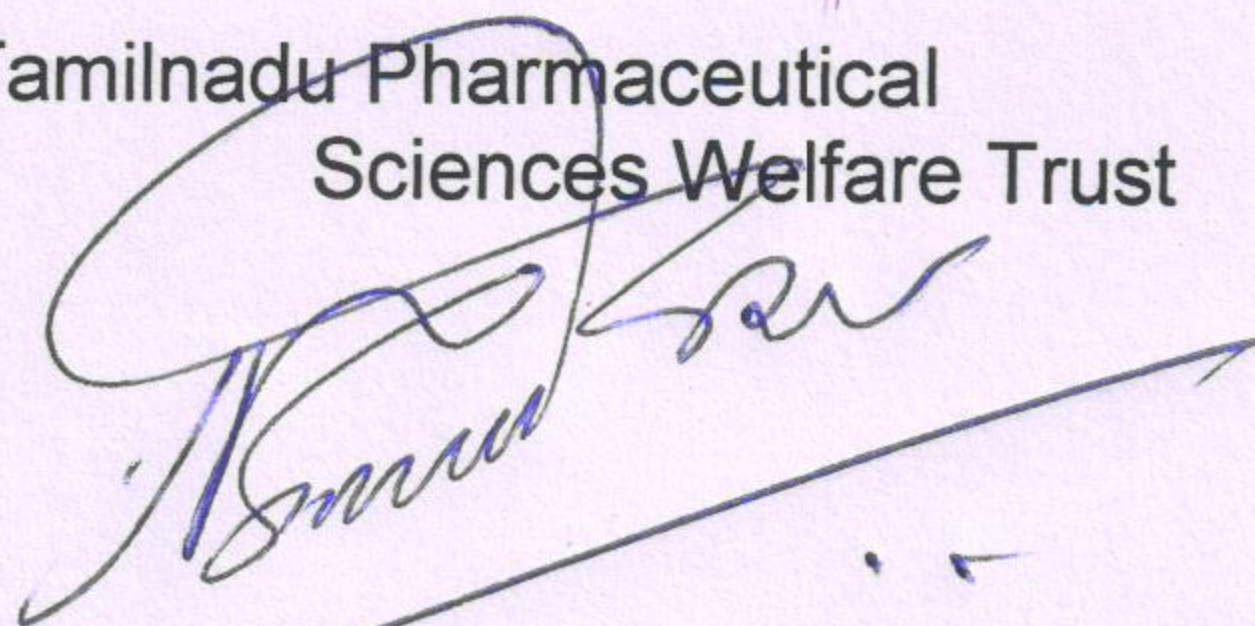

3. **Usefulness of the project: 10 marks** – To judge whether this project is useful to the Pharmaceutical field or not and also whether this thesis / research work can be continued or not.

If possible, you can involve your sub-ordinates of different departments of Pharmacy.

We request you to evaluate at the earliest, as normally we will be giving the scholarships on **merit** during the National Pharmacy Week. We will be grateful if the result of evaluation is sent to us **on or before 12th November 2019**.

Thanking you,

For Tamilnadu Pharmaceutical
