Sub: Announcement of 13th Industrial Training Program by "Pharma Knowledge and Training Institute (PKTI) - Finishing School"

Dear Sir / Madam,

We are pleased to announce the 13th Industrial Training Program being organized by the Tamilnadu Pharmaceutical Sciences Welfare Trust under the banner of the **Pharma Knowledge and Training Institute – Finishing School.**

The institute is dedicated to providing practical, Industry-oriented training for fresh pharmacy graduates, enabling them to acquire relevant skills and enhance their career opportunities in the pharmaceutical and allied sectors.

Over the past 12 years, we have successfully conducted 12 training programs on ***"Production Management and Quality Control of Drugs and Pharmaceuticals."***

We are now proposing to conduct the 13th Industrial Orientation Training Program from **25th November to 12th December 2026**. This 15-day program will consist of **10 days of theoretical sessions** followed by **5 days of industrial visits**.

The theme for this session is: **"Industrial Orientation Training on Production and Quality Management of Drugs and Pharmaceuticals."**

The theory classes will be held at our Trust office:

608A, 6th Floor, Phase I, Spencer Plaza
768 / 769, Anna Salai, Chennai - 600 002.

Program Highlights:

- **Topics Covered:** Good Manufacturing Practices (GMP), Good Laboratory Practices (GLP), Manufacturing Processes, Quality Control and Quality Assurance, etc.,
- **Practical Training:** Hands-on training at pharmaceutical industries.
